

LOCAL SOCIAL EVENTS

Mrs. Wiegol Hostess.
Dorothy Perkins roses in profusion formed the table decorations and were also lavishly used about the club house today at an attractively appointed bridge luncheon at which Mrs. William James Wiegol was hostess at the Fairmont Country club. A number of bridge enthusiasts had been invited by the hostess to spend the morning at the club and during the morning eight tables were utilized in playing a number of spirited games. At one o'clock a number of guests arrived at the club for luncheon, the number entertained during the morning and at luncheon aggregating sixty. The guests were delightfully entertained about the club house grounds and verandas, the weather being ideal for a country club outing, and at one o'clock a delicious course luncheon was served. This was one of the most delightful and prettiest appointed social affairs given at the club this season. Miss Jane Alexander, of New York, the house guest of Miss Mary Moulds Hurst, was an out of town guest entertained.

To Dance.
Invitations have been issued for an informal program dance to be given at the Masonic Temple, Monday, June 22nd, by J. H. Thornton, of Thornton's Dancing school. Music will be furnished by the Famous Players Saxophone orchestra of East Liverpool, Ohio, an orchestra that has never been in Fairmont, but which is considered to be one of the best in the state of Ohio. Dancing lovers are assured of a treat in this splendid musical aggregation. Invitations positively must be presented at the door.

To Wisconsin.
Miss Helen B. Talbott, who had been the guest of relatives here, left today for Parkersburg, where she will spend a few days with relatives, and from there will go to Cour d'Alene, Wis., where she will teach French in the high school at that place. Miss Talbott is a resident of Salem, Oregon, and is the daughter of former Senator J. H. Talbott. She is quite a musician and a talented young woman.

Engagement Announced.
The engagement of Miss Ruby Gattrell and Jay Toothman, of this city, was announced last evening at a party given at the home of Mrs. J. O. Prickett on Hawthorne street with Mrs. Prickett, her daughter, Mrs. Cross, and Miss Marguerite Dexter as hostesses. The interior of the home was attractively decorated with garden flowers which were used in profusion and during the evening delicious refreshments were served. A filipian bride and groom in the persons of Sarah Lee Prickett, little daughter of Mrs. J. O. Prickett, and Frances Wells Gattrell, cousin of the bride to be, of Clarksburg, attired in evening dress and carrying baskets of roses entered the living room and marched to the end of an aisle formed by the guests and handed each guest a rose to which was attached tiny hand-painted cards bearing the names "Ruby-Jay." The date of the marriage was not announced, though it will take place early in July. The bride to be is a native of Grafton but has resided in this city for a number of years where she has been popular in social circles. She is a graduate of the Grafton high school and upon coming to this city was employed in the city clerk's office which position she held until recently when she accepted a more lucrative one with the Fred T. Ley company. She is a young woman of pleasing personality. Mr. Toothman is a son of Mr. and Mrs. B. J. Toothman, of Mt. Vernon avenue and is popular in local business and society circles. About forty guests were entertained including the following out of town guests: Miss Ruth Carver, of Brownsville, Pa.; the Misses Sue McWilliams and Frances Jacob and Bob Bennett, all of Grafton.

Celebrated Birthday.
Clifton Hall, son of Mrs. Hal Hall of this city, entertained a number of friends at dinner last evening at the Watson cafe in celebration of the seventeenth anniversary of his birth. The serving table was attractively decorated in red roses and a splendid menu was served. The guests included William Lehman, John Helmick, Junior Sharp, Sam Rock, Linn Hall, and James Brownfield, Mrs. Hall Hall and Mrs. G. M. Alexander.

Carpenter Reunion.
The fourth annual reunion of the Carpenter family will be held on the second Sunday in August at the Fairview Methodist Episcopal church on Summers Ridge.

Held Meeting.
The young people's missionary society of the M. E. church, South, was entertained in a delightful way yesterday evening by Miss Dorothy Brock at her home on Fourth street. An interesting program was rendered. Arrangements were made to hold a lawn fete Tuesday evening, June 29, on the lot recently purchased by the church on Locust avenue and Fifth street. Following the business session a social hour was enjoyed during which refreshments were served by the hostess.

Returned Home.
Mrs. Samuel D. Brady has returned from Anniston, Ala., where she had attended the marriage of her sister, Miss Mary Zell and Horace Head, the latter of Augusta, Ga., which event was solemnized at the home of the bride's twin sister, Mrs. Truman Donoho on Tuesday, June 15. The marriage was a pretty home event and was attended by a number of friends and relatives. Mr. and Mrs. Head are now on their honeymoon and will later take up their residence at Augusta. Mrs. Brady was accompanied home by her mother, Mrs. Robert E. Zell, who will spend the summer here and at other points in West Virginia. Dunlap Brady who is a student at Cornell, arrived home yesterday and his brother, Zell Brady, arrived home last week.

WHAT A PRESCRIPTION REALLY DOES FOR YOU.

When you are "sick," that means that nature has been unable to "carry on" as she should. If nature has sufficient reserves she will overcome any sickness. She will work hard to kill off germs, or to overcome a waste of energy. This tendency is what gives so-called mind cures and other fakes their working ground, even tho a germ is an actual visual fact under the microscope. The prescription which a doctor writes you is based upon a knowledge of what has happened to nature. The doctor knows from printed records and from personal experience that a grain of this or a dram of that will do certain things to help nature work again. After studying you yourself, he finds that perhaps you may need a little more of this, or less of that, than ordinarily. He finds what's wrong, where help is needed—and knows which drug will bring assistance. Then we simply follow his orders—exactly.

Muslin Dust Caps 10c

Extra salespeople will be on hand and every provision made to give quick and efficient service.

Everyone Likes The Athletic Union Suit

It is amazing to see how generally the Athletic Union Suit has been tried and accepted by women. For all it can be had in soft, sheer fabrics, it is an intensely practical garment and as such has met with genuine approval. For active sports the comfort it affords is unequalled. Many women wear the Athletic Union Suit exclusively because it is inexpensive, comfortable and easily laundered.
